AROUND GREENVILLE

Studio Tour 2023

Call for Artists! Deadline 2/15!

The Arts Around Greenville committee is inviting you to participate in the second Arts Around Greenville Studio Tour. Here's a chance to invite people in to your creative space and make meaningful connections with new collectors! We also have group locations in case your studio is not ready for the public to tour! Last year artists earned over \$6,500 in sales. This year we are making improvements to ensure even more success! If you live or have studio space within 12 miles of Greenville you're eligible to be included! Go to www.cpog.org/copy-of-aagst-application for all the information you need to join us!
